

DIGITAL PIG FARM MANAGER

An offline-first Android mobile application for smart pig husbandry, breeding management, health tracking, market linkage, feed formulation & financial analytics.

APPLICATION MODULES & LIVE INTERFACE FEATURES

MODULE 01

Herd & Lifecycle Registry

Track every pig's tag number, breed, biological stage (piglet, weaner, grower, finisher, boar, sow), lineage mapping, and weight gain history over time.

Individual Pig Profiles

Lineage Mapping

Weight History

MODULE 02

Breeding & Gestation Tracker

Log sow heat checks, boar servicing, and artificial insemination. Auto-computes expected farrowing date (114 days) with live gestation countdown and sow ranking.

114-Day Gestation Countdown

Sow Performance Ranking

Farrowing Logs

MODULE 03

Veterinary & Health Logger

Log health events for a single pig, a specific category, or the full herd. Captures disease diagnostics, age in weeks, treatment cost, and vaccination protocols.

Single / Group / Full Herd

Disease Diagnostics

Gilt & Vaccination Records

MODULE 04

Feed Formulator & Inventory

Formulate least-cost feed rations with exact kg/g ingredient weights. Tracks stock levels and automatically computes Feed Conversion Ratio (FCR) and ADG growth rate.

FCR = Feed Consumed ÷ Weight Gained

ADG Growth Rate

Low Stock Alerts

MODULE 05

Market Connection & Buyer Log

Record buyer details (name, contact, butcheries/processors) directly at the point of sale. Automatically builds customer revenue history and market transaction logs.

Point-of-Sale Capture

Butcheries & Processors

Revenue Analytics

MODULE 06

Intelligent Alerts Engine

Automated alerts for imminent farrowing, vaccination schedules, heat checks, low feed stock, drug withdrawal periods, and market-ready pig notifications.

Farrowing & Heat Alerts

Drug Withdrawal Block

Market Weight Notice

MODULE 07

Reports Hub & Financial Analytics

Generate Profit & Loss reports, herd production summaries, pig mortality rates, and farrowing efficiency — filtered by Today, 7 Days, 30 Days, YTD, or All Time.

Profit & Loss (P&L)

Pig Mortality Summary

Breeding Stats

100%
